Clerk:

Please file & docket this refusal for cause in the jacket of Article III case 1:12-cv-\_\_\_\_\_. These are evidence if this presenter, \_\_\_\_\_ Mortgage, claims I have obligations to perform or continues to make false claims against me in the future. A copy of this instruction has been sent with the original refusal for cause back to the presenter in a timely fashion.

The clerk of court is obligated to file related Refusals for Cause pursuant to the 'saving to suitors' clause of the 1789 Judiciary Act. ...*saving to suitors, in all cases, the right of a common law remedy, where the common law is competent to give it; and shall also have exclusive original cognizance of all seizures on land...* Therefore if the clerk refuses to file papers into this case as an evidence repository this will constitute breach of contract.

**Certificate of Mailing**

My signature below expresses that the original presentment, refused for cause in red ink and a copy of this clerk instruction, has been mailed certified as indicated below back to the presenter within a few days of presentment.
