

Commentary on Song of Songs - Chapter 1

Son 1:1 The song of songs, which is Solomon's.

Son 1:2 Let him kiss me with the kisses of his mouth: for thy love is better than wine.

Comment: Right off it seems that the one who is kissing must be Jesus who represents the Enlightened State of Being - Christ - or the Anointed One. Thusly the kisses "from His mouth" must be referencing in symbolic form the esoteric truth [light] of which is embedded in the symbolic language of idiom and analogy. It is like Peter who fished all night long [night symbolizes ignorance] and caught nothing, but when the Dawning of the Day came [so came the Light] and then Peter threw himself into the Waters [Truth] and caught 153 [reduces to 9 which symbolizes a change in consciousness] GREAT FISHES. The Zohar refers to God as a GREAT FISH in the midst of the seas.

So the kisses from his mouth is to sup directly from the same cup of pure truth and being. Or to be transformed from glory to Glory into the image of Christ and the operation is done by the Spirit of God in the Creature which bears the form of male or female. I will refrain from the use of the term Man in this writing because in the Scriptures the term Man refers to a Spiritual Estate - thusly Jesus is called the "Son of Man". There is a 6th day Man and a 7th Day Man. The latter is that of the Sun the former is that of the Moon. For the Moon reflects the light and is therefore feminine but the Sun gives the light and is therefore male.

Notice "for thy Love is better than wine". Remember the first miracle Jesus performed was to turn the water into wine. Jesus commanded that Six concrete jars of water be brought to him. Recall hereinbefore that there is a 6th day Man. I will refer to the male/female form as the Creature because that is what the Bible symbology. So then the Creature is termed the "beast of the field" which is Natural in its estate. The creature is only concerned with what is worldly so then we see in Esau he was one who worked in the field - a ruddy - red fleshly being. This condition is our first estate that we are born into but it is the Spirit of God working in us to transform us into the 2nd Estate which is Christ - Spiritual or the 6th day Man.

Thusly we see that it is Christ that turns the natural truths which are full of error and falsity into wine. It is the wine that we desire but notice the wine brings us into proper perspective in terms of understanding and knowledge however whereof is the relationship? In other words, the wine is WONDERFUL for it rights our ship of State [our being], but the knowledge of the wine does not transform a being. What I mean is it is the application of knowledge which is Wisdom whereof the State of Being is transformed. Thusly it is this application [operation of knowledge and understanding] that references a relationship in Love.

In the name of Jesus the Christ, I AM Michael Joseph

Consider how wonderful it is to receive a love letter [the Scripture] from your sweetheart. The letter informs of the intimate relationship desired, but the letter is not the relationship. The letter is merely a hopeful desire to experience a real relationship in Love. Thusly She in Faith moves upon the promises in the Letter in hope of the manifestation of the true relationship. This relationship is the Revolution of the Mind which occurs within a being as the creature is transformed into the image of Christ.

Notice this song is of Sol-om-on = Light- Light - Light. Let there be Light and He separated the Light from Darkness. See now He called the Light Day and the Darkness Night. How do you create? This is a methodology for creation. It is wonderful to know but it is better to do. It is said "the blessing is in the hand of the doer." And of Moses "I place before you this day life or death, you choose". Moses of course is the symbol of your free will or reason. But notice Moses therefore would be that of the Left Hand or intellect. We see that Moses does not enter into the promised land. It is only Joshua [a type of Savior] who leads the people [thoughts and desires] into the promised land.

I am not concerned with the argument of whether Moses existed as a being or not, we are not concerned with the "letter of the law" for St. Paul informs us quite clearly that there is no profit in such meaningless arguments. I say meaningless because St. Paul writes the letter of the law is death but the Spirit gives life. Thusly we search for the Light which is entombed in the symbol. Thusly Moses is a State of Being which is present in each of us.

Moses is good and so is Elijah but Christ is better. For we have in Moses the Left and in Elijah the Right but in Christ the perfect Union of the two. Thusly we are not to build a tabernacle for Moses or Elijah we are to build a house for the Lord - I AM. I reference now Haggai 1: 4-8.

Notice again that the actor in the verse is masculine and in the analogy the masculine nature is Mind. Thusly the mechanism by which Wisdom and Knowledge pours forth is by and thru the Mouth. And since it is Mind it is by His Mouth.

[Psalms 33:6](#) By the word of the LORD were the heavens made; and all the host of them by the breath of his mouth.

Comment: The Shekina within [feminine principal] awaits the "breath of his mouth".

[John 20:22](#) And when he had said this, he breathed on *them*, and saith unto them, **Receive ye the Holy Ghost:**

Comment: Ultimately the Love of God just absolutely stops the lower nature in the Creature. This metaphysical relationship plays out in a physical relationship in the body in meditation when the body comes to complete sleep [death] and the flaming swords [two] stop firing. I believe these two swords are the two Cherubim which guard the way back to the garden of God. These would be the two Cerebral Hemispheres which fire electrical impulses when thought occurs [flaming swords]. When thought stops in meditation, the serpent can be raised up in the wilderness which is symbolized in the Earth at the Nile River for the water flows from Upper Egypt [base of Spine] to Lower Egypt [top of spinal cord] where it goes into the Nile Delta [Brain]. The electrical energy can be raised within so that the pituitary gland and pineal glands activate [formerly two thieves] and the electrical impulse can be sent to the white stone which moves away [rolls away] from the Fornix [the vault] or the tomb.

The Seven Seals are unlocked on the backside of the book and an Angel with a foot in Earth and in Heaven proclaims with a shout [the voice of God] a message of peace and good tidings. For unto us a child is born. And this child is DAVID - the State of Being of Love - for David is "my beloved."

When the Indigo flashes before the closed eye, then we are in the ecstasy of the orgasmic love feast. We are as Noah "Drunk on the new wine". Our entire perspective changes and the world is brand new. We see things that others just can't see [understand] yet. And it is exciting and scary at the same time. For we wish to share our vision but many just can't comprehend where and how we came to our interpretations. Their pastor never told them anything like this. Consider carefully dear reader, "when was the last time your pastor ever touched the Song of Songs ever in church?" In our ecstasy of wonder we are as drunk on the wonderful truths that are being revealed by Revelation. Many ask how do you know these things and the only answer that can be given is by Revelation. For indeed the Kingdom of God is within.

But we cannot brag on ourselves for we know that this wonderful love feast happened when we have the courage to admit we don't really know anything as we should know. So we stop trying to know we study but we wait on the Comforter to bring understanding and knowledge. For She is WISDOM. Ref Isaiah 11:2 and Proverbs 8. Christ is the Wisdom and the Power of God. And St. Paul relates that "I travail in birth pains again till Christ be formed in you".

The creative power and love in sex is wonderful. Sex is not taboo it is wonderful. If we would only look and learn and stop thinking we know it all - because in fact we know very little. But this love feast within occurs BECAUSE He has set His Love upon me.

Psalms 91:14 Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.

In the name of Jesus the Christ, I AM Michael Joseph

Comment: I shall have no other God's before Me. I AM is the all present "I" - the single "I" - he set his love - that "he" is Me. "I" will set him on high because he knows my Way - the Divine Laws and their application. Thusly emmanual - God with us. For Christ is All and in All. The lamb slain before the foundation of the world. The Word placed in the tomb of a rich man [church]. But here is the wonderful truth The Word shall resurrect in the Minds and the hidden truth shall be revealed in the symbolic things of nature.

One will say WHY are the keys removed? Why not just return the keys to everyone. Seems logical right? Consider the laziness of the creature. If the creature was to be able to eat from the tree of life in its Carnality then the Creature would live on in sin at the place called Ai. So the creature must experience, must seek and must find. Therefore I will close my eyes and stop the thoughts and traditions and lift up the serpent in the wilderness. Thusly the door is unlocked to the Secret Place in the Stairs - or to the door at the right side of the house.

The love feast is ecstasy in raptured bliss - for there we are present with God. For we know that St. Paul said "to be absent from the body is to be present with God; and we are willing and yes confident to be absent from the body." And furthermore "I die daily."

Son 1:3 Because of the savour of thy good ointments thy name *is as* ointment poured forth, therefore do the virgins love thee.

Comment: The ointments of The Way of God cure the maladies of this life. The Way which is the right application of Divine Law is the seed which impregnates the desires [the virgins]. Remember Lot sent two virgin daughters [desires] from within the House [Higher Mind] outside to the men of Sodom [thoughts of the lower mind] or the place of burning. The men of Sodom wanted nothing to do with the desires of God.

Yet God is undivided so The Way which is "thy name" is the right application of the thoughts of God - which are the sons of God. And the sons of God would naturally find a wife from the daughters of God [the virgins]. And the two become one and produce offspring which heal.

This love story is a passionate love relationship between a Man and a Woman [Mind and Desire] These two birth Will. Consider the pleasure of the Divine Love being poured out. Emotion- Mind - Body - Spirit [all intertwined] in an orgasmic love feast. Everyone of us can experience these things - Today if you can hear His Voice. For finally you can read the love letter and know how personal and sensual the experience IS - not can be - but IS.

Psalms 133:2 *It is* like the precious ointment upon the head, that ran down upon the beard, *even* Aaron's beard: that went down to the skirts of his garments;

Comment: Consider that Cristos means the anointed. And St. Paul says until Christ be formed in you. Thusly there is an inner anointing of the Chrism Oil which drops down from above to below. And it is the inner anointing which teaches all matters and one who receives this anointing no longer needs a teacher.

1Jn 2:27 But the anointing which ye have received of him abideth in you, and ye need not that any man teach you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him.

Comment: This is why it is said the Spirit births the man-child because in the analogy the man is Mind. But this application of knowledge is the same as "casting the net to the right side of the boat." If one knows but does not do, then the blessing remains only a potential.
