

In order to print your document correctly, you should click "Done" in pdfFiller and choose "Print" on the next screen.

The screenshot displays the PDFfiller software interface. At the top, there is a toolbar with various editing tools like Text, Cross, Check, Circle, Sign, Date, Picture, Erase, Highlight, Blackout, Text Box, Arrow, Line, and More (2). To the right of the toolbar is a 'DONE' button, which is highlighted in orange. A dropdown menu is open from the 'DONE' button, showing options: Print, Email / SMS, Fax, Save As, Share, SendToSign, LinkToFill, and Go to MY DOCS. A red arrow points to the 'Print' option. The main area shows a 'W-9 Request for Taxpayer Identification Number and Certification' form. On the left, there is a 'PAGES' sidebar with thumbnails for pages 1, 2, 3, and 4. On the right, there is a 'VERSIONS' sidebar with an 'ADD WA' button.
