| United States District Court for the Southern District of New York 500 Pearl Street New York, NY 10007 - 1312 |  |
| In Re; Redemption of First <i>On and for the behalf of the</i> UNITED STATES | |
| Certificate of Exigent Circumstances Rule B(1)(c) | |

COMES NOW, First of the family LAST and Redeemed. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §411 as amended from §16 of the 1913 Federal Reserve Act. Service to the agent is service to the principal and vice versa. The law is clear - one must make demand for lawful money clear to the Treasury of the United States or at any Federal Reserve bank. Evidence of First 's demands for lawful money are integrated fully in this Certificate of Exigent Circumstances.

The State of New Jersey is billing First LAST for an alleged tax liability that New York has already assessed accurately and has refunded the correct amount due. The billing, titled STATEMENT OF ACCOUNT *UNDERPAYMENT*, dated August 2, 2023 is returned to Principal Janet Louise YELLEN at the US Treasury with the NJ agent copied along with the Federal Reserve Bank of New York. Most significantly is that the Comptroller of the New Jersey Treasury, Kevin D. WALSH is subject to summary garnishment of his personal stipend should WALSH allow this billing and harassment to continue.

US Postal Money Order, Instrument #28 85 for \$49 is included for filing and publication on PACER of this Certificate of Exigent Circumstances.

While nobody questions New Jersey has an interest in the New York (commuter) revenue, this blending of interests is highly irregular and unique. New Jersey is not a party in interest to the revenue First earns in New York. Furthermore, WALSH is making an illegal claim based in railroading the NJ 1040 form of reporting, specifying that the filer cannot stipulate negative amounts with a minus sign or brackets around the boxed numbers. Instead the boxes are tabulated to the left, that are negative numbers and so First has properly used the form for the correct mathematics by striking through an otherwise dedicated negative amount. WALSH is intentionally (through agency?) misreading First's tax return (the NJ 1040 form). This tag team billing is conspiracy and criminal syndicalism, a combination in fact that makes it very difficult to see the truth. Fraudulent racketeering among two States in collusion.

Exigent circumstances make court review impracticable. Chief Judge Laura Taylor SWAIN has a deviant oath of office. Her oath is refused for cause specifying the alteration that affects her fidelity bond. Any attorney knows that, "So help me God." prescribed by Congress is different than "SO HELP ME GOD." as found on Laura Taylor SWAIN's oath of office, herein Refused for Cause. Therefore the Comptroller of the Treasury for New Jersey Kevin D. WALSH is personally liable for this inappropriate billing and stands without immunity to property seizure and lien. First LAST is providing the record this Certificate of Exigent Circumstances to dissuade any further billing by Kevin D. WALSH and the New Jersey Department of Revenue. The deviant oath of Laura Taylor SWAIN stands evidence that no court review is practicable should Kevin D. WALSH request an E(4)(f) hearing regarding garnishment on his personal wages. There is no need to go further than the fidelity bonding by the Chief Judge for the United States District Court utilized for conduit and it is easily assumed that all the subordinate judges of the district are equally central bank tellers fraudulently pretending to be judicial officers.

With the refund in place, and demand made for lawful money according to law, it is presumed that this Certificate of Exigent Circumstances will stop, cease and desist any further billing actions by New Jersey and any other disinterest parties for the tax year 2022 and otherwise. First 's right to be redeemed is absolute. "They" in "They shall be redeemed in lawful money by demand..." easily relates to people, rather than *Federal Reserve bank notes* from two sentences earlier in the herein cited banking law. First .is redeemed.
