The Department of Revenue previously sent you a Final Notice of Tax Assessment informing you that you owe a tax debt to North Carolina. Tax debt is the total amount of tax, penalty, and interest due. Our records indicate that you have not paid this tax debt in full and that you have not entered into an installment payment agreement with the Department.

Within 30 days of the date of this notice, you must pay the TOTAL BEFORE FEE amount or enter into an installment payment agreement on terms acceptable to the Department. Otherwise, North Carolina law requires the Department to add a 20% collection assistance fee to your tax debt.

Shown below is the total tax debt you will owe for each tax period before the collection assistance fee is added, and the total you will owe after the fee is added. Interest continues to accrue until the balance is paid in full. You may receive additional notices if you owe taxes not listed below.
